

Dear Saravanan velusamy:

HireRight is a third-party administrator that has been contracted by Birlasoft Solutions Incorporated to arrange all the details of your drug and health screening.

Instructions for your screening are provided in the attached document. This document contains a barcode that must be scanned at the collection site to begin your screening. **Please take the barcode and a valid photo ID with you to the address below to complete your screening.** If you have been given additional documents related to your drug and health screening, please take those as well.

LabCorp - Ballantyne Med Pl
15830 BALLANTYNE MED PL, Ste 140, CHARLOTTE, NC 28277
(704) 540-0251

You must report to the collection site before your registration expires on **August 27, 2025 11:03 AM EDT.** We highly recommend that you call the collection site in advance to confirm hours of operation and availability. Please note that your expiration date and time is **NOT** an appointment.

****Please note that HireRight is not able to extend the time period for your screening. You will need to reach out to your recruiter or designated contact with the hiring company to extend this date.**

Parents with minors please read:

We apologize for any inconvenience; however, children will not be allowed into the testing area with you. If you have small children who will be accompanying you to the testing facility, please arrange to have another adult with you to supervise them in the waiting room.
